Revie ... [et al.] -- The problem of RUQ pain / Malcolm B. Barnes and Simon Glance -- Abnormal liver function tests : diagnostic approach / Timothy T. Gordon-Walker and John P. Iredale -- The acute liver failure patient / Neil C. Henderson and Kenneth J. Simpson -- The chronic liver disease patient / Joanna K. Dowman and Philip N. Newsome -- Portal hypertension: a management problem / Norma C. McAvoy and Peter C. Hayes -- Infections in the liver /

Veerendra Sandur and George Therapondos -- The liver transplant patient / Prakash Ramachandran and Andrew J. Bathgate -- Incidental radiological findings in the asymptomatic patient / Tiffany J. Campbell and Dilip Patel.

Sommario/riassunto

Taking the problem-based approach, this text helps clinicians improve their diagnostic and therapeutic skills in a focused and practical manner. The cases included demonstrate the diversity of clinical practice in the specialty worldwide, and are divided into five major sections: Upper GI, Pancreato-Biliary, Liver, Small and Large Bowel, and Miscellaneous.
