Sommario/riassunto	Dr. Harold Koenig was recently interviewed by Newsweek (November 10, 2003) about his book Spirituality in Patient Care (Templeton Foundation Press) and his research in the area of religion and health. He has become the international voice on the subjects of spirituality, health, and aging. In this book he is joined by two other experts on aging and human development. They present a compelling look at one of the most serious issues in today's society: health care in America. How will we provide quality healthcare to older adults who will need it during the next th
