Kongeriget Norge; Appendix B: The Constitution of the Kingdom of Norway ; Bibliography; Contributors; Index

Sommario/riassunto

The Norwegian Constitution is the oldest functioning constitution in Europe. Its bicentenary in 2014 has inspired the analyses in this volume, where contributors focus on the Constitution as a text to explore new ways of analyzing democratic development. This volume examines the framing of the Norwegian Constitution, its transformations, and its interpretations during the last two centuries. The textual focus enables new understandings of the framers' negotiations and decisions on a democratic micro level and opens new international and historical contexts to understanding the Norwegian Const
