Sommario/riassunto	The objective of this study is to identify, to analyse, and to evaluate the

market entry barriers for German small and medium-sized companies in India. Moreover, this study provides recommendations in order to minimize or overcome those barriers. Existing studies are discussing the market entry of big companies such as of Siemens AG and Robert Bosch GmbH in India, but issues of small and medium-sized companies are neglected. This academic void is closed by this study with the help of the implementation of questionnaires and interviews. Based on these primary sources, market entry barriers for
