Suburbs as Stories of Time and Space; 5 Ideology, Planning, and Meaning in Suburbia: Investigating the Case of Row House Areas; 6 The Changing Face of Athens: Development Pressures in the Maroussi and Kifissia Suburbs. 7 Old Wine in New Bottles: Land, Population Growth, and Montpellier's Suburban Face-off8 "In-betweeners" in Time and Space: The Governance of Suburbanisms in the Ruhr; 9 City of Villages? Stasis and Change in London's Suburbs; 10 Between Farming Villages and Hedge-Fund Centres: The Politics of Urbanization in the Border Zone of the

Metropolitan Region of Zurich; 11 Conclusion: Old Europe, New Research Themes; Author Index; Subject Index.

Sommario/riassunto

"The youthful vigour of urbanization in North America has promulgated a dominant perspective on urban theory, specifically on suburbs, that establishes the United States as the norm against which all other contexts are measured. However, much of the vocabulary surrounding the American experience isn't applicable to the wider world. Old Europe, New Suburbanization? takes us on a journey of rediscovery into some of Europe's oldest metropolises. The volume's contributors reveal the great variety of patterns and processes of urbanization that make Europe a fruitful ground for furthering the diversity of global suburbanisms. The effects of urban history found in such cities as Athens, London, Madrid, Montpellier, and Sofia, varies greatly due to the sheer variety of economic, industrial, land, and expansionist policies at play on the continent. This collection highlights the varied historical and geographical manifestations that have shaped urban areas and provides evidence for new processes of suburbanization."--

2. Record Nr.	UNINA9910826682603321
Autore	Moore Michele
Titolo	Do you really need surgery? : a sensible guide to hysterectomy and other procedures for women / / Michele C. Moore, Caroline M. de Costa
Pubbl/distr/stampa	New Brunswick, N.J., : Rutgers University Press, c2004
ISBN	0-8135-5596-5 0-8135-3649-9
Edizione	[1st ed.]
Descrizione fisica	1 online resource (xiv, 171 pages) : illustrations
Altri autori (Persone)	De CostaCaroline <1947->
Disciplina	618.1/059
Soggetti	Generative organs, Female - Surgery Gynecology Women - Health and hygiene
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [165]-166) and index.
Nota di contenuto	Your anatomy: where things are -- Your physiology : how things work

-- What goes wrong : some common gynecologic diseases and problems -- What goes wrong : cancers -- Reaching a diagnosis: what to expect -- Non-surgical treatment of gyn problems -- Surgical treatment: "traditional" or open procedures -- Traditional hysterectomy: what to expect -- Traditional surgery: the risks -- After the surgery -- Other gynecologic surgery and treatments -- Laparoscopic surgery -- Risks of laparoscopy -- Laparoscopic surgery: how will you feel? -- Surgical choices -- Other 'Endoscopic' Surgery -- Tips to Help Make a Sensible Decision.
