Sommario/riassunto	'New Perspectives on the Union War' explores, at a wide array of points along the political spectrum, the many shapes patriotic sentiment took in the loyal states during the Civil War. The essays provide new insights into well-known figures such as Secretary of the Treasury Salmon P. Chase, political philosopher Francis Lieber, African American author/entrepreneur Elizabeth Keckley, abolitionist Abby Kelly Foster, New York governor Horatio Seymour, and Attorney General Edward Bates. They also offer the perspectives of common soldiers, of the partisan press, of the clergy, and of social reformers.
