Sommario/riassunto

Manga and anime inspire a wide range of creative activities for fans: blogging and contributing to databases, making elaborate cosplay costumes, producing dojinshi (amateur) manga and scanlations, and engaging in fansubbing and DIY animation. Indeed, fans can no longer be considered passive consumers of popular culture easily duped by corporations and their industrial-capitalist ideologies. They are now more accurately described as users, in whose hands cultural commodities can provide instant gratification but also need to be understood as creative spaces that can be inhabited, modified, and
