Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	Why Teach? Notes and Questions from a Life in Education is a journey inside American education and a story of self-discovery. Why Teach? is the perfect introductory text for an aspiring teacher, a source of reflection for fellow educators, and a compelling insider critique of the system from pre-school to graduate school. In an age dominated by social science, Why Teach? makes the case for a humanistic approach to schooling.
