Sommario/riassunto	Teaching Psychology 14-19 - first published as Teaching Post-16 Psychology - is a core text for all training psychology teachers, as well as experienced teachers engaged in further study and professional development. Taking a reflective approach, Matt Jarvis explores key issues and debates against a backdrop of research and theory, and provides guidance on practical ideas intended to make life in the psychology classroom easier.With an emphasis on the application of psychology to teaching psychology, it clearly and comprehensively covers the knowledge essential to d
