

1. Record Nr.	UNINA9910816264003321
Titolo	Sex offenders : punish, help, change or control? : theory, policy and practice explored // edited by Jo Brayford, Francis Cowe and John Deering
Pubbl/distr/stampa	London ; ; New York : , : Routledge, , 2012
ISBN	1-136-29219-5 1-136-29220-9 0-203-11473-6
Descrizione fisica	1 online resource (369 p.)
Collana	Routledge Frontiers of Criminal Justice
Classificazione	SOC004000
Altri autori (Persone)	BrayfordJo CoweFrancis DeeringJohn <1956 Mar. 26->
Disciplina	364.1/53
Soggetti	Sex offenders Sex offenders - Rehabilitation Sex crimes
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Cover; Title; Copyright; Contents; List of illustrations; Foreword; Acknowledgements; Notes on contributors; Introduction; SECTION ONE Setting the scene; 1 Legislation and sex offending; 2 From a minority interest to accredited programmes: probation work with those convicted of sexual offences; 3 Media influences on public perceptions of sex offenders: impact on policy and practice; SECTION TWO Types of offences and victims; 4 Sex offenders' identities and identity management; 5 Female sexual offending: exploring current knowledge; 6 Sexual abuse and learning difficulties 7 Sexual revictimisation: a critical review of the theoretical pathways from childhood sexual abuse to adult sexual assault 8 Animal abuse and sex offending; 9 Internet sex offending: patterns, problems and policy; SECTION THREE Settings and approaches to working with sex offenders; 10 Residential work with sex offenders: places of collusion and segregation or preparation for resettlement and reintegration?; 11 Prison and sex offender interventions; 12 Circles of Support and

Accountability: practice and research; 13 The GPS satellite tracking of sex offenders in the USA

SECTION FOUR Skills, practice and policy development with sex offenders
14 MAPPA: the management of sex offenders; 15 Probation enforcement practice with sex offenders; 16 'Soft skills for hard work': using emotional literacy to work effectively with sex offenders;
Conclusion: sex offenders: punish, help, change or control?; Index

Sommario/riassunto

"Sex offending, and in particular child sex offending, is a complex area for policy makers, theorist and practitioners. This book make an holistic contribution to this controversial field of study by setting the rise and prominence of work with child sex offenders in its legal and practice context and offers a sense of direction and landscape form which to take forward a critical perspective on and exploration of current and proposed policy and practice developments. Bringing together academic, practise and policy experts, the book argues that a clear but complex theoretical and policy approach is required if the risk of re- offending and further victimisation is to be reduced. "--

"Sex offending, and in particular child sex offending, is a complex area for policy makers, theorists and practitioners. A focus on punishment has reinforced sex offending as a problem that is essentially 'other' to society and discourages engagement with the real scale and scope of sexual offending in the UK. This book looks at the growth of work with sex offenders, questioning assumptions about the range and types of such offenders and what effective responses to these might be. Divided into four sections, this book sets out the growth of a broad legislative context and the emergence of child sexual offenders in criminal justice policy and practice. It goes on to consider a range of offences and victim typologies arguing that work with offenders and victims is complex and can provide a rich source of theoretical and practical knowledge that should be utilised more fully by both policy makers and practitioners. It includes work on female sex offenders, electronic monitoring and animal abuse as well as exploring interventions with sex offenders in three different contexts; prisons, communities and hostels. Bringing together academic, practise and policy experts, the book argues that a clear but complex theoretical and policy approach is required if the risk of re- offending and further victimisation is to be reduced. Ultimately, this book questions whether it makes sense to locate responsibility for responding to sexual offending solely within the criminal justice domain"--
