Nota di contenuto	Preface: an introduction to rural poverty -- The definitional complexities of poverty in Britain and the United States -- Rural poverty in Britain: from agricultural poverty to rural deprivation -- The broader contexts of rural poverty: disadvantage and social exclusion in the British countryside -- Rural poverty in the United States: statistical visibilities and persistent forms of poverty -- Housing poverty and homelessness in rural Britain and the United States -- The local contexts of rural poverty in Britain and the United States -- Shifting states of rural welfare in Britain and the United States -- Conclusion: towards new research agendas for rural poverty.
Sommario/riassunto	Moving beyond the highly visual forms of poverty characteristic of the city, Rural Poverty explores the nature of poverty in rural spaces in Britain and America. Setting out key features, it highlights the

important processes that hide key components of rural poverty. The book seeks to challenge dominant assumptions about the spatialities of poverty and the nature of rural spaces in Britain and America. Drawing on a broad range of new research material, the book challenges dominant assumptions. It provides a comprehensive and critical review of the nature of poverty in rural
