DIASPORIC IMAGINATION: FROM ECOLOGY TO GENDER POLITICS; Selected Bibliography of Hwa Yol Jung's Works in English; The Editor and Contributors (in alphabetical order); Index; Credits
Sommario/riassunto	Comparative Political Theory and Cross-Cultural Philosophy explores new forms of philosophizing in the age of globalization by challenging the conventional border between the East and the West, as well as the traditional boundaries among different academic disciplines. This rich investigation demonstrates the importance of cross-cultural thinking in our reading of philosophical texts and explores how cross-cultural thinking transforms our understanding of the traditional philosophical paradigm.
