Reconsidered; 3 Multilevel Party Politics of Immigration: Territorial Rescaling and Party Competition; Part II Governance; 4 Divided on Immigration, Two Models for

Integration. The Multilevel Governance of Immigration and Integration in Belgium

| Sommario/riassunto | This book develops an exploratory theory of immigration in multilevel states addressing two themes: governance and political parties. It examines not only how, and by whom, immigration policy is decided and implemented at different levels, but also how it has become a key-issue of party competition across multilevel states. |
