| Sommario/riassunto | Captured by the City: New Perspectives in Urban Culture Studies is a collection of eighteen essays on urban places, people, and phenomena. In it, cities in North America, Europe, and Asia offer themselves as dynamic encounters to those who study them and to those who live in them on a daily basis. Different disciplines - sociology, anthropology, performance studies, architectural history, linguistics, media studies, and documentary poetics, to name just a few - intersect here to help shape a ... |
