   Note generali   Description based upon print version of record.

   Sommario/riassunto 58 color reproducible graphic organizers to help your students
                           comprehend any book or piece of literature in a visual way. Our graphic
                           organizers enable readers to see how ideas fit together, and can be
                           used to identify the strengths and weaknesses of your students'
                           thought processes. Our graphic organizers are essential learning tools
                           that will help your students construct meaning and understand what
                           they are reading. They will help you observe your students' thinking
                           process on what you read as a class, as a group, or independently, and
                           can be used for assessment. They include: Story Maps, P
