Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [933]-968) and index.
Sommario/riassunto	Based on nearly five decades of research, this magisterial work is a biographical register and analysis of the 3,396 people who most directly influenced the course of the Civil War, its high commanders: presidents and cabinet members, state governors, general officers of the Union and Confederate armies, and admirals and commodores of the two navies.
