Sommario/riassunto

This important book reassesses a defining historical, political and ideological moment in contemporary history: the 1989 revolutions in central and eastern Europe. Adopting a multi-disciplinary approach, the authors reconsider such crucial themes as the broader historical significance of the 1989 events, the complex interaction between external and internal factors in the origins and outcomes of the revolutions, the impact of the 'Gorbachev phenomenon', the West and the end of the Cold War, the political and socio-economic determinants of the revolutionary processes in Poland, Hungary, the Ger
