(review article) / Christopher Robinson -- What now, Heraclitus? and Skeptic days / Askold Skalsky -- The first of May, translated by Susan Matthias / Georgios Vizyinos -- Notes on contributors -- Information for contributors.

Sommario/riassunto

Dialogos"" encompasses Greek language and literature, Greek history and archaeology, Greek culture and thought, present and past: a territory of distinctive richness and unsurpassed influence. It seeks to foster critical awareness and informed debate about the ideas, events and achievements that make up this territory, by redefining their qualities, by exploring their interconnections and by reinterpreting their significance within Western culture and beyond.
