Christopher G. Bakriges.

Sommario/riassunto

This unique collection of essays examines the flow of African American music and musicians across the Atlantic to Europe from the time of slavery to the twentieth century. In a sweeping examination of different musical forms--spirituals, blues, jazz, skiffle, and orchestral music--the contributors consider the reception and influence of black music on a number of different European audiences, particularly in Britain, but also France, Germany, and the Netherlands. The essayists approach the subject through diverse historical, musicological, and philosophical perspectives. A number of essays
