Sommario/riassunto

The report is part of the Bilateral Remittance Corridor Analysis (BRCA) initiative. The report US-Honduras Remittance Corridor: Acting on Opportunity to Increase Financial Inclusion and Foster Development of a Transnational Economy provides an overview of remittances and migration between the Honduras and the United States. The report analyzes the remittance regulatory and market environment, financial inclusion strategies by financial institutions, transnational economic activities, and the impacts of remittances on the Honduran economy. The chapter 2 provides analysis of remittance market env
