Ethnology and Equality; Part Four The Autobiographical Douglass; 10. Self-made Man, Self-conscious Hero; Epilogue; Notes; Bibliography; Index
Sommario/riassunto	Frederick Douglass was unquestionably the foremost black American of the nineteenth century. The extraordinary life of this former slave turned abolitionist orator, newspaper editor, social reformer, race leader, and Republican party advocate has inspired many biographies over the years. This, however, is the first full-scale study of the origins, contours, development, and significance of Douglass's thought.
