Nota di bibliografia	Includes bibliographical references (p. [131]-141) and index.
Nota di contenuto	Introduction : Dewey's lifelong crusade for participatory democracy -- Michigan beginnings, 1884-1894 -- Dewey at the University of Chicago, 1894-1904 -- Dewey leaves the University of Chicago for Columbia University -- Elsie Clapp's contributions to community schools -- Penn and the third revolution in American higher education -- The Center for Community Partnerships -- The university civic responsibility idea becomes an international movement -- John Dewey, the Coalition for Community Schools, and developing a participatory democratic American society.
Sommario/riassunto	This timely, persuasive, and hopeful book reexamines John Dewey's idea of schools, specifically community schools, as the best places to grow a democratic society that is based on racial, social, and economic justice. The authors assert that American colleges and universities bear a responsibility for-and would benefit substantially from-working with schools to develop democratic schools and communities. Dewey's Dream opens with a reappraisal of Dewey's philosophy and an argument for its continued relevance today. The authors-all well-known in education circles-use illust
