

1. Record Nr.	UNINA9910816774403321
Autore	Taylor Graham <1944->
Titolo	Imperial standard : Imperial Oil, Exxon, and the Canadian oil industry from 1880 // Graham D. Taylor
Pubbl/distr/stampa	Calgary, Alberta : , : University of Calgary Press, , [2019] ©2019
ISBN	1-77385-038-5 1-77385-037-7
Descrizione fisica	1 online resource (296 pages)
Collana	Energy Histories, Cultures, and Politics Series
Disciplina	338.2728
Soggetti	Petroleum industry and trade - Canada - History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Part One: Foundations, 1860-1917. Origins ; When empires collide ; Resurrection -- Part Two: Before Leduc, 1917-1947. Adventures in the tropics ; Cogs in the wheel ; The winning of the West -- Part III: After Leduc, 1947-1980. Golden Age ; Diversification ; A more complex world ; Northern visions -- Epilogue: Since 1980. The roller coaster ; Exxon and Imperial: ties that bind ; A change in the climate
Sommario/riassunto	"For over 130 years, Imperial Oil dominated Canada's oil industry. From Petrolia to Turner Valley, Imperial was always nearby and ready to take charge. Their 1947 discovery of crude oil in Leduc, Alberta transformed the industry and the country. But from 1899 onwards, two-thirds of the company was owned by an American giant, making Imperial Oil one of the largest foreign-controlled multinationals in Canada. "Imperial Standard" is the first full-scale history of Imperial Oil. It illuminates Imperial's longstanding connections to Standard Oil of New Jersey, also known as Exxon Mobil. Although this relationship was often beneficial to Imperial, allowing them access to technology and capital, it also came at a cost. During the energy crises of the 1970s and 80s, Imperial was assailed as the embodiment of foreign control of Canada's natural resources, and in the 1990s it followed Exxon's lead in resisting charges that the oil industry contributes to climate change. Graham D. Taylor draws on an extensive collection of primary sources, including both the Imperial Oil and Exxon Mobil archives, to explore the complex

relationship between the two companies. This groundbreaking history provides unprecedented insight into one of Canada's most influential oil companies as well as the industry itself."--
