Sommario/riassunto	Employment law can be a minefield. New employment regulations are coming into force constantly, expanding this area of the law and forcing companies to be aware of potential pitfalls. There is a particular focus on equality and discrimination in the workplace, and many companies are curious how to encourage and work with diverse collections of employees. This e-book looks at recent case-studies of discrimination, and also features interviews with high-profile experts in the field. This collection of articles pays particular attention to women's careers, age discrimination, the growing issue of
