Sommario/riassunto	Interested in the latest trends in nursing education written by the nurse educators pioneering these innovations? Then welcome to the first volume of the Annual Review of Nursing Education .This Review focuses on these innovative practices of teaching. It describes educational strategies you can adapt to your own settings and is written for educators in associate, baccalaureate, and graduate nursing programs, staff development, and continuing education. The goal of the Review is to keep educators updated on recent innovations in nursing education across all settings.
