Sommario/riassunto

An extraordinary collection of essays on the recently concluded Iraq War by Nobel Peace laureates and leading scholars. The Iraq War and its Consequences is the First and Only book that brings together more than 30 Nobel Peace laureates and eminent scholars to offer opinions, analyses and insights on the war that has drawn both widespread opposition and strong support. In this intellectually captivating book, Professor Irwin Abrams, considered the leading authority world-wide on the history of the Nobel Peace Prize and Distinguished University Professor Emeritus at Antioch University,
