Sommario/riassunto

John Coates is best known as the producer of *The Snowman*, *When the Wind Blows*, *Wind in the Willows*, *Willows in Winter*, and *Famous Fred*, and as the man behind the Beatles film *Yellow Submarine*. This intimate biography takes the reader on a journey through Coates's early life, his years as an army officer in the 11th Hussars in World War II, and his postwar life as a distributor for Rank films throughout Asia, before returning to England and eventually taking over TV Cartoons. With a foreword by Raymond Briggs and an epilogue by Coates himself.
