Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	The seven-lesson schoolteacher -- The psychopathic school -- The green monongahela -- We need less school, not more -- The congregational principle.
Sommario/riassunto	"John Taylor Gatto's radical treatise on public education, a New Society Publishers bestseller for 25 years, continues to advocate for the unshackling of children and learning from formal schooling. Now, in an ever-more-rapidly changing world with an explosion of alternative routes to learning, it's poised to continue to shake the world of institutional education for many more years."--
