Note generali	Description based upon print version of record.
Nota di contenuto	The mythical post-racial America -- Racism and violence against minority and minoritized communities -- The black male experience in the United States.
Sommario/riassunto	The Assault on Communities of Color provides a critical look at issues such as racism, community segregation, whiteness and other hegemonies and how they re/produce injustice and violence; but also how space, place, and institutionalism produce and maintain white dominance and violence. This is the right volume during a time of wrongs.
