Sommario/riassunto	Feeling Unreal is the first book to reveal what depersonalization disorder is all about. This important volume explores not only depersonalization, but the philosophical and literary implications of selflessness as well, while providing the latest research, possible treatments, and strategies for living and thriving when life seems 'unreal.' For those who still believe that such experiences are still a part of something else, that depersonalization is just a symptom and not a disorder in its own right, Feeling Unreal presents compelling evidence to the contrary. This book provides long-awaited
