CONSORTIUM: PRINCIPLES OF RESTORATIVE PROCESSES

Sommario/riassunto

This comprehensive guide provides an accessible introduction to the philosophy of restorative justice and its practical application in a wide range of settings, showing how it can help both victims and offenders when harm has been done. Drawing on many years' experience of working in victim support, probation, mediation and restorative practices, Marian Liebmann uses pertinent case examples to illustrate how restorative justice can be used effectively to work with crime and its effects. Also included are sections on confronting bullying in schools, dealing with sexual and racial violence, tack
