Sommario/riassunto	Sohrab Sepehri (1928-1980) is one of the major Iranian poets of the 20th century. His verses are often-recited in public gatherings and lines from them were used as slogans by protesters in 2009. A painter, wood-worker, and poet, Sepehri wrote these poems after journeys through Japan, China, and India, where he was exposed to various cultural arts and spiritual disciplines.
