Sommario/riassunto	This is an engaging and insightful monograph that examines the fit between personal, spiritual and academic goals in contemporary educational experience and individual school cultures. Do faith schools have a place in a plural society? Which types of school contribute most effectively to a plural society? This fascinating monograph seeks to answer these questions and more by exploring the fit between personal, spiritual and academic goals in contemporary educational experience and individual school cultures. Jo Cairns, a well-respected authority on faith schools, argues that educational ideolo
