Sommario/riassunto	1950's Cold War-era monsters meet 21st-century terrorists: Matthews provides a thoughtful interpretation of sci-fi movies that examines the similarities and differences between the political environment and popular culture of two eras. This well-researched examination and appreciation of science fiction films includes behind-the-scenes tales about their production and many quotes from those who produced and starred in the films. The book will tantalize not only fans of the science fiction genre but also sociologists, film historians, and politicians. The author draws parallels between the Cold
