Sommario/riassunto	Women, Judging and the Judiciary examines debates about gender representation in the judiciary and the importance of judicial diversity. It offers a fresh look at the role of the (woman) judge and the process of judging and provides a new analysis of the assumptions which underpin and constrain debates about why we might want a more diverse judiciary, and how we might get one. Through a theoretical engagement with the concepts of diversity and difference in

adjudication, Women, Judging and the Judiciary contends that  
prevailing images of the judge are enmeshed in noti
