Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. [199]-204) and index.
Sommario/riassunto	Advice books published by women were a popular genre in Seventeenth and early Eighteenth-century England and they were moral manuals with strong religious overtones. Here, Urban highlights a notable exception: Age Rectified, which counsels women to acquire a 'disposition of mind' in old age which allows them to be accepted by younger generations.
