Egan -- Hugo M. Enomiya-Lassalle: Zen-Enlightenment and Christianity / Ursula Baatz -- Index / Robert A. Maryks.
Sommario/riassunto	In A Companion to Jesuit Mysticism , Robert A. Maryks provides thirteen unique essays discussing the Jesuit mystical tradition, a somewhat neglected aspect of Jesuit historiography that stretches as far back as the order's co-founder, Ignatius of Loyola, his spiritual visions at Manresa, and ultimately the mystical perspective contained in

his *Spiritual Exercises*. The volume's contributions on the most significant representatives of the Jesuit mystical tradition—from Baltasar Álvarez to Louis Lallemant to Hugo Makibi Enomiya-Lassalle—aim to fill this lacuna in Jesuit historiography. Although intended primarily as a handbook for scholars seeking to further their own research in this area, the volume will undoubtedly be of interest to scholars and students of Jesuit studies more broadly.
