Nota di contenuto	Cover; Acknowledgments; Table of Contents; Introduction; The Necrology; Appendix: Ballplayers by Cemetery; Bibliography
Sommario/riassunto	During his playing career, a baseball player's every action on the field is documented--every at bat, every hit, every pitch. But what becomes of a player after he leaves the game? This exhaustive reference work briefly details the post-baseball lives of some 7,600 major leaguers, owners, managers, administrators, umpires, sportswriters, announcers and broadcasters who are now deceased. Each entry tells the date and place of the player's birth, the number of seasons he spent in the majors, the primary position he played, the number of seasons he spent as a manager in the majors (if applicable)
