| Sommario/riassunto      | "What roles do literary and community texts and social media play in<br>the memory, politics, and lived experience of those dispossessed?"<br>Fitzgerald asks this question in her introduction and sets out to answer<br>it in her study of literature and social media by (primarily) Native<br>women who are writing about and often actively protesting against<br>displacement caused both by forced relocation and environmental<br>disaster.   |
