Institutionalizing personalized political parties; Ch 06. Civil society unable to engage; Ch 07. The presidency of Marc Ravalomanana <sup>1</sup> ; Ch 08. The fall of Marc Ravalomanana and the rise of the Fourth Republic; Selected bibliography; Index; About the author |
| Sommario/riassunto      | This book offers a broad institutional analysis of Madagascar's Third Republic. It argues that a new agenda is in order to consider not just   |

how institutions form, but the ways in which networks of power-and leaders of those networks-grow and change malleable institutions in young democracies with few avenues of accountability.
