| Nota di contenuto | Enslaved men and work -- Enslaved men and leisure -- Beyond the plantation -- Friendship, resistance, and runaways -- Enslaved men, the grapevine telegraph, and the underground railroad -- Epilogue. |
| Sommario/riassunto | Trapped in a world of brutal physical punishment and back-breaking labour, Frederick Douglass mused that it was the friendships he shared with other enslaved men that carried him through his darkest days. In this study, Sergio A. Lussana offers an in-depth investigation of the social dynamics between enslaved men and examines how individuals living under the conditions of bondage negotiated masculine identities. |
