Sommario/riassunto

Garry Winston Trompf (b.1940) in his outstanding academic career has inspired scholars in the fields of Studies in Religion and the History of Ideals. In this volume his colleagues and students critique and expand upon the world of this outstanding academic. The book is divided into four parts, Melanesia, Ancient World Studies, Philosophical and Methodological Considerations and Historiography. Authors address Trompf's research in works such as "The Idea of Historical Recurrence in Western Thought", "Early Christian Historiography" and themes of Melanesian religion that Trompf address in "Payback". No study in the religions of Oceania or ideals of millennialism should ignore this critical assessment of Garry Trompf's work.
