Sommario/riassunto	This book explores what a PhD is and the challenges and rewards of completing this journey. There is no one way to complete a doctorate but there are a number of wrong ways, like having your ego flattered into it or because you can t think of what else you would like to do. This book is about what is like to submit yourself to the process of doing a doctorate. It is about how is feels to be a research student; the elation, the guilt, the isolation, the self-doubt, the loneliness. It also describes the practical issues such as choosing a topic, finding funding, writing a research proposal, diff
