Sommario/riassunto	This book is in the field of trans-cultural psychology, and is intended for college courses in anthropology and psychology, and general readership. The book focuses on intriguing facts about primitive cultures around the world, and provides insights into living traditions and different world views. A principal theme of the book is that we can gain a better understanding of ourselves by a "detour" to other cultures. The book shows how modern ways of thinking are parallel to those of primitive cultures, and engages readers to become more aware of who they are. As shown throughout the book, there
