Sommario/riassunto

This book is for the Jewish traveler - or for anyone interested in Jewish history and culture. More than a listing of Jewish sights and resources, it is a concise, easy-to-use handbook for those who want to experience the best in Jewish sightseeing and travel. It provides a directory of resources - synagogues, community centers, kosher restaurants, Judaica shops, lodgings, and Jewish establishments. It also reveals a treasury of Jewish sights. Hundreds of listings highlight museums, notable homes, one-of-a-kind communities, historic synagogues, and sites of significant events.
