Sommario/riassunto	""Good Parents or Good Workers?"" draws upon new ethnographic studies and longitudinal interviews that are reporting on the daily lives of women and children under new welfare policy pressures. Contributors look at family policy in the context of daily demands and critique new social programs that are designed to strengthen families. The book is divided into three course-friendly sections that deal with the impact of welfare reform on caregiving, the lived experiences of low-income families, and family policy debates. "" Good Parents or Good Workers?"" is an important text on the impacts of wel
