Brown -- Varieties of what? : should we still be using the concept of capitalism? / Fred Block -- A Polanyian analysis of capitalism : a commentary on Fred Block / Nina Bandelj -- Marx, Weber, and the "ceaseless accumulation of capital" / Ho-Fung Hung --

On Fred Block, varieties of what? : should we still be using the concept of capitalism? / Wolfgang Streeck -- There was no baby in this bathwater : a reply to the critics / Fred Block.

Sommario/riassunto

As economic stagnation freezes the globe; capitalism is increasingly questioned; war, revolution and political instability unsettles the Middle East; and President Obamas campaign for the Presidency looms, Volume 23 of Political Power and Social Theory reflects on these and related issues. Chapters in this volume discuss the meaning of revolution, the origins of neoliberalism in India, identity formation in a Chicago social movement, the Palestinian National Question, and the Black middle-class in the US. Additionally, in the Scholarly Controversy section, Fred Block questions whether the concept of "capitalism" should be problematized entirely.
