Nota di contenuto	Frontmatter -- Contents -- List of Illustrations -- Preface -- Introduction: Peoples, Geography, and Time -- Chapter 1. Movement and Migration -- Chapter 2. Adaptation and Change -- Chapter 3. Complexity and Culture -- Conclusion -- Glossary -- Further Reading
Sommario/riassunto	This book provides a concise overview of the history of Polynesia, focusing on New Zealand and its outlying islands, during the period 900-1600. It provides a thematic examination of Polynesia to avoid placing the region's history into an inaccurate, linear Western chronology. The themes of movement and migration, adaptation and change, and development and expansion offer the optimal means of understanding Polynesia during this time. Through this innovative and unique perspective on Polynesian history, which has not been previously undertaken, the reader is encouraged to think about regions outside Europe in relation to the premodern period.
