Nota di contenuto	The quest to save the inner city : a historical perspective -- Miracle on 174th Street -- Boston and the power of collaboration -- In the rust belt : can the ghetto be rebuilt? -- Olympic efforts in boomtown -- New immigrants transform the old city.
Sommario/riassunto	Not long ago, neighborhoods such as the South Bronx, South Central Los Angeles, and Boston's Roxbury were crime-ridden wastelands of vacant lots and burned-out buildings, notorious symbols of urban decay. In House by House, Block by Block, Alexander von Hoffman tells the remarkable stories of how local activists and community groups helped turn these areas around.
