The missed opportunities scenario -- 3.2.1.3. The business-as-usual scenario -- 3.2.2. Risks and challenges for scenario implementation -- 3.2.3. Financing each scenario.

Sommario/riassunto

The OECD has been working on water policy reform in the countries of Eastern Europe, the Caucasus and Central Asia for over 20 years. Three of the countries within the region, Georgia, the Republic of Moldova and Ukraine have signed Association Agreements with the European Union.
